

Make a Difference

Accounts payable professionals working with and for accounts payable professionals is what makes everything happen at the American Accounts Payable Association. AAPA is always looking for members who want to get involved in their association and apply their knowledge and skills in new, exciting ways. The rewards of working on behalf of your profession and colleagues are countless!

If you would like to join any of these AAPA National Committees, Advisory Groups, or Task Forces please let us know. A great place to start is the AP Answers Referral Service. This is one of AAPA's most valuable membership benefits and will give you the opportunity to get in touch with fellow members while at the same time honing your professional knowledge.

Please indicate your areas of interest, complete the contact information, and mail or fax this form to the AAPA. Thank you for your interest in serving your profession!

AP Answers Referral Service

This committee researches and responds to AP questions posed by AAPA members. Members volunteer to serve on this committee and complete a questionnaire indicating their areas of expertise.

AP Journal Editorial Advisory Board

This committee writes articles and provides editorial guidance for this AAPA membership publication.

Strategic Accounts Payable Leadership Task Force

This committee's mission is to serve as a resource for all employees to identify strategic developments, best practices, and strategies to maximize performance and efficiency of the accounts payable function.

APA and AAPA Shared Services Task Force

This committee will address common payroll and accounts payable challenges and opportunities by providing learning opportunities through workshops and publications to practitioners and executives.
